

## High Performance Design and Technologies School Seminar

October 21, 2003 - 8:30 am to 3:30 pm - Westminster, Colorado

### Sponsors

Tri-State Generation and Transmission Association  
Enlink Geo Thermal

### Seminar Description

FREE one-day event for school staff and the professionals that serve them: school administrators, board members, business officials, facility managers, architects, engineers and others! This workshop will highlight high performance design experiences in Colorado, and offer presentations by Colorado school districts and technology experts. Admission is free and includes continental breakfast and lunch, and *Rebuild America/EnergySmart Schools Energy Design Guidelines* and *Best Practices Manual* CD-ROM.
